Purpose and lawful basis for processing

Our purpose for collecting this information is so we can facilitate the online and in-person events as part of the PRISGRADS project and provide you with an acceptable service.

The lawful basis we rely on for processing your personal data is your consent under Regulation (EU) 2016/679 (General Data Protection Regulation)¹. When we collect any information about dietary or access requirements we also need your consent to ask you, and to store this information for the time it is required.

What we need

If you wish to attend one of our events, you will be asked to provide your contact information including your organisation's name and, if offered a place, information about any dietary requirements or access provisions you may need, as well as personal details required to book travel and accommodation. We may also ask for payment if there is a charge to attend.

Why we need it

We use this information to facilitate the event and provide you with an acceptable service. We also need this information so we can respond to you.

What we do with it

¹ <https://gdpr.eu/tag/gdpr/>

We don't share this information in any identifiable way with the venue, and we delete it after the event.

We will request your explicit consent before we share a list of delegate lists with other participants and presenters.

During online events we may use Slido to create interactive live polls, Q&As, and quizzes. Responses will always be anonymous. We will retain the data from these events for 6 months in order to analyse the responses and gauge the success of the event. Use of Slido is not required in order to attend our events.

How long we keep it

We will keep your information for three months past the end of the project. With respect to PRISGRADS this will be 31.05.2025.

What are your rights?

We rely on your consent to process the personal data you give us to facilitate the event. This means you have the right to withdraw your consent at any time. If at any point you want to withdraw your consent please contact the Project Coordinator, Tamara Höfer MSc BSc (Hons) via tamara.hoefer@richtungswechsel.or.at

If you do that, we'll update our records immediately to reflect your wishes.
